RE: RC Knox Holiday Party

Dear Matt,

We would like to thank you for such an awesome performance at our annual Holiday Party. As you know, we were trying to "shake things up a bit" by adding some entertainment to our party and your show was the perfect "shake". The people sitting at the tables were amazed at your illusions and the people standing in the back actually stopped mulling about to watch your show. We had numerous comments come to us afterward complementing you and your performance. The "How did he do that??" comments didn't stop for days.

We also appreciate your flexibility in scheduling when our party was postponed due to the weather. Everything went on as planned and the party was a great success. We will definitely keep your information on file for future functions that we have.

Thanks again and we wish you much success in the future.

Sincerely,

Julie Niggebrugge & Judy Flinkman
